Dear Planning Commissioner,

At the June 21st public hearing we have a few items to address; a final housing subdivision plan, an industrial development plan, and we will resume our discussion about agritourism activities. You will notice that there are zoning map amendments on the agenda. However, this item will be postponed until the July meeting to ensure that we have put out all of the proper zoning map amendment notifications according to KRS 100.

If you have questions about any of your packet materials, don't hesitate to reach out to us.

Sincerely,

A handwritten signature in black ink, appearing to read "Andrea S. Pompei Lacy".
