The census
shapes
many aspects of
our community.

Everyone counts.

The census counts
every person living
in the U.S. once,
only once, and in
the right place.

Taking part is your civic duty.

Completing the census
is required: it's a way to
participate in our
democracy and say
"I COUNT!"

Beginning in March 2020, your household will receive a brief survey form by mail. The head of household should complete and return the census. Complete the survey online, by phone, or return by mail. Special accommodations offered at the Paris-Bourbon County Library.
