RE: Postponement of Public Hearing  
Uniform Application  
Applicant: New Cingular Wireless PCS, LLC, d/b/a AT&T Mobility  
Site Location: Roseberry Road, Carlisle, KY  
Site Name: Cane Ridge

Dear Ms. Lacy:

As a follow-up to our discussion, Applicant will lower the tower height as an accommodation to concerns of area residents and requires additional time to prepare the necessary exhibit revisions.

Accordingly, I am writing today to request for the above-referenced matter to be removed from the November 16, 2017 Planning Commission meeting docket and rescheduled for public hearing at the January 18, 2018 meeting. To accommodate request, Applicant hereby agrees and consents to an extension of the applicable time prescribed by KRS 100.987 for the Planning Commission to advise applicant of its decision on the subject Uniform Application through January 19, 2018.

Please let me know right away if there is any reason this scheduling request cannot be accommodated or if there is any need for me to attend the November meeting. I also request that you notify area residents of this change so that we do not cause any unnecessary inconvenience.

Sincerely,
