December 11, 2018

Dear Planning Commissioners,

For the December Planning Commission Meeting, there is one agricultural land division (ALD 18-21) on the agenda. For discussion, I will provide a regular update on planning activities. We will also address some recent questions that we've received regarding the agricultural land division review process.

Due to the light agenda for this month, we will cancel our December 17th Planning Commission Workshop.

If you have any questions or concerns, don't hesitate to get in touch with me.

Happy holidays to you and yours!

Sincerely,

A handwritten signature in black ink, appearing to read "Andrea S. Pompei Lacy".
