DRAFT PUBLIC HEALTH GOALS FROM MEETING 1:

- Create and sustain economic opportunity to promote mental, physical and emotional health for all demographics. Economic security for all walks of life, regardless of age, race, gender, income, education or background.
- Integrate sustainability and resilience in community planning to improve quality of life and meet anticipated growth.
- Develop policies and procedures to prevent substance abuse and encourage reduction and/or abstinence from alcohol, tobacco and other drugs. Create pathways to re-enter society successfully.
- Improve food access to fresh and affordable produce. Increase knowledge and education about health diet, how to prepare healthy foods.
