

Goals (as determined by Modified Consensus on 10/8/19)

1. Protect and promote the local agricultural economy. *Received 4s and 5s*
2. Encourage and promote the conservation, protection, and restoration of Bourbon County's agricultural land resources. *Received 4s and 5s*
3. Preserve, protect, restore and enhance the environment and natural resources. *All 5's*
4. Integrate development with the natural environment by providing access to greenspace, trail networks, and parks. (This was reached by combining #4 and #5 from the Goal under consideration list.) *Received 4s and 5s*

SAMPLE OBJECTIVES FOR AGRICULTURAL ECONOMY AND CONSERVATION.

- Conserve the unique elements of the County's agrarian nature in order to promote tourism and its related economic benefit.
- Support Bourbon County farm owners and operations in their efforts to continue viable agricultural activities.
- Recognize that farmland can best be preserved by creating and sustaining farm revenue by promoting value added agricultural economic development.

SAMPLE OBJECTIVES FOR ENVIRONMENTAL GOALS.

- Minimize the impact of waste produced in Bourbon County.
- Require open space planning for large scale developments.
- Adopt programs and initiatives to improve energy efficiency.
- Support the formation of a green infrastructure program.
- Coordinate interrelated planning, programs, and activities that impact the protection, conservation and restoration of landscapes and natural resources.
- Assemble and maintain a system of environmental information to be considered in making decisions regarding land use.
- Identify and adopt creek conservation corridors.

Choose one person in your group to write your assigned objectives on a sheet of paper:

ASSIGNED GOAL: _____

OBJECTIVE 1

OBJECTIVE 2

OBJECTIVE 3

OBJECTIVE 4

OBJECTIVE 5
