

TB Hospital

I hereby certify that the survey depicted by this plat was done by persons under my direct supervision on April 13, 1999 and September 12, 1999 by the method of random traverse with side shots. The unadjusted precision ratio of the traverse was 1:16839 and was adjusted. The survey as shown hereon is a Class A survey and the accuracy and precision of said survey meets all the specifications of this class.
