ENVISION BOURBON COUNTY

COMPREHENSIVE PLAN

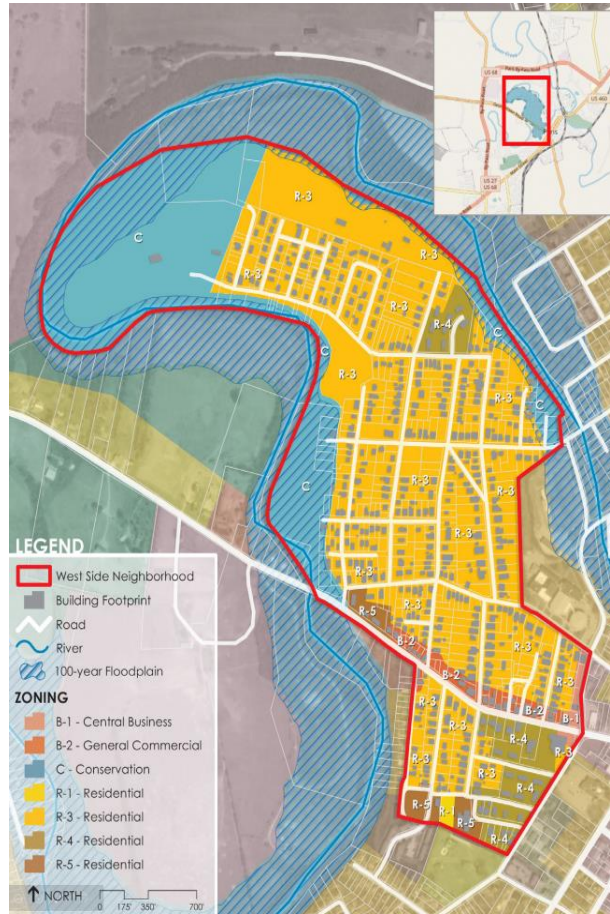

GOALS AND OBJECTIVES were approved in the Spring of 2021 by local legislative bodies (Bourbon County Fiscal Court, City of Millersburg, City of Paris, City of North Middletown).

FINAL DRAFT PLAN AND FUTURE LAND USE MAPS

Currently, Staff is composing the draft plan. The target for consideration by the Bourbon County Joint Planning Commission and local legislative bodies is the fall/winter 2021.

CODE ENFORCEMENT

The Bourbon County Joint Planning Office is eager to hire a new part-time code enforcement officer position to increase our staff capacity and better enforce the property maintenance, building and other nuisance codes. In the first half of 2021 over 200 site visits were conducted for over 100 code violations. Do you have a violation to report? Contact our office at (859) 987-2150 or visit www.bourboncountyplanning.com

WEST SIDE NEIGHBORHOOD REVITALIZATION

In the first half of 2021, 10 West Side Neighborhood Committee Meetings were conducted by community leaders and neighborhood members. These Committees included: Housing, Infrastructure, and Safety, Economic and Workforce Development, and Arts & Recreation. At these meetings, residents and community leaders heard from subject matter experts on a variety of topics: Code Enforcement, Community Land Trust, Brownfields Redevelopment, Housing Redevelopment, and Law Enforcement to name a few.

Committees continue to advocate and engage the Community through events such as the West Side Family Fun Day (August 7) and through research into the feasibility of relocating the City of Paris Waste Transfer Station. Meetings are open to the public and are typically held at the Paris Independent School Cafeteria.

**Are you interested in participating in the West Side Neighborhood Revitalization?
Contact the Bourbon County Joint Planning Office at (859) 987-2150.**

ATTENTION! Beginning in October, property maintenance code violations will be published in the Bourbon County Citizen and on the Bourbon County Joint Planning Office's website. Don't let your property become a nuisance!
