**Call us today at (602) 224-9971 (tel:602-224-9971) so we can help you find the right scanner to fit your needs**

### Overview

## MFP Intelligently simplified

Context always strives to give you more: More details, more features, more possibilities and more quality! In our new large format scanner, SD One MF, we have compressed all our knowledge into one easily operated device. The 36" format scanner is equipped with a touchscreen the size of a tablet PC. This enables you to operate, edit, annotate, mark-up, file, and share your scans to optimize your workflow.

## Delivering Simplicity to the MFP

### User centered MFP system

SD One MF takes a new approach to wide format scanning, focusing on you and how you work, while also pushing the boundaries of scanning technology. It is easy to set up and use, yet incredibly flexible, with options such as WIP, intuitive and flexible touchscreen, extensive printer support, and stand options.

SD One MF turns your wide format printer into a premium MFP.

## Intelligently Integrated

- PERSONALIZE YOUR SCANNER

Centered around you, not your scanner. Individual user profiles allow easy use by the entire team.

Set up once, remember forever.

- SCAN DIRECT TO PROJECT FOLDERS

SD One MF remembers your preferences and scans direct to your saved project folder or mobile platform through integrated Cloud support. One click scanning is now at your fingertips.

- FULLY INTEGRATED

SD One MF is a powerful standalone scanner that is also as tightly integrated with your printer as an all in one machine. All the benefits. None of the drawbacks.

- STAND OPTIONS

SD One MF can be positioned to support your needs. Place it beside the printer on a low stand for full accessibility; position on a high stand, or sitting directly on the printer to save space. Your choice.

- SECURE SCANNING

(tel:+16022249971)

Protect your data. Log in with your PIN each time you scan.

...ne only wifi enabled wide format scanner.

WiFi compatibility makes SD One MF easy to both set up and use.

- **PRINTER DRIVERS INCLUDED**

HP, Canon and Epson native printer drivers are included as standard.

## COLLABORATE INTELLIGENTLY

### SHARE

Collaborate to unlock your project's potential. SD One MF shares your documents, so you can share your ideas and knowledge.

### MARK-UP DIRECTLY ON THE SCANNER

Save money on ink and media.

No need to print before you mark-up your document.

With a touchscreen the size of a tablet PC, you can make changes to your document right on your scanner. Ready to share or save.

### CLOUD CONNECTED

Integrated Cloud support enables collaboration with clients and partners, as well as internal colleagues.
